**Aston, per our conversation, the below email was authored by Rene Trujillo requesting participation in the TSA bomb K9 program. Thank you for confirming this was an overreach by TRUJILLO. I thought it would be important to maintain a unity of messaging to continue with the LAPD expansion of our bomb K9 program. It also appeared as though TSA was confused by MTAs request which could cast doubt with TSA pertaining to the expansion of the program. Thanks again, Mike**

Good morning Mr. Kloiber,

I have been in contact with Mr. Diller regarding TSA K9's for our department, I was asked by Mr. Diller to contact you to begin the process on being placed on the acceptance/wait list as a participant with TSA's Canine Program.

Any and all help to be placed on the list would be greatly appreciated.

Please let me know what is needed from my side to begin the process.

Thank you in advance for the help.

Respectfully,

Rene Trujillo

**Subject:** RE: TSA K9 Information Request

Good Morning,

Regarding your request,

We need a letter from your department requesting participation in the TSA National Explosives Detection Canine Team Program. Once the request is approved you will be assigned a Field Canine Coordinator to walk you through the process.

The letter should be addressed to:

Branch Chief  
National Explosives Detection Canine Team Program  
Office of Security Operations  
[1900 Oracle Way, Suite 400, NEDCTP](#)  
[Reston, VA 20598-6105](#)

Thank you,

Christopher Kloiber  
Field Canine Coordinator (FCC)  
National Explosives Detection Canine Team Program  
U.S. Department of Homeland Security  
Cell Phone: [310-560-5562](tel:310-560-5562)
